CHARGED WITH FORGERY.

G. E. Small, twenty-four years old, of Greenbrier White Sulphur, W. Va., was arrested yesterday morning charged with forgery. It is alleged that Small made an effort to cash a check at A. Abramson's clothing store, corner of King and Washington streets. It is also charged that he succeeded in passing a bogus check for \$16.50, signed "S. D. Devaughn," drawn on the First National Bank, at the Tontine Hotel. Small made some purchases at the bar, after which he presented the check. On the bottom was marked "for labor." He suggested to the saloonkeeper that he be given only \$5, and he added that he would call for the residue. He secured the \$5 and left. When arrested Small had another check for a similar amount in his pocket drawn on the same bank marked "S. D. Devaughn." Mr. Devaughn is a well-known contractor. He says he never had any business with the prisoner. It was subsequently learned that Small made efforts to pass the check at several business houses. He claims that he purchased the two checks from a strange man. Small, after being locked up, pretended he was contemplating suicide, but he made no attempt at self-destruction. Small was brought before the Police Court this morning when the case was continued until Wednesday morning. He said his name was W. W. Eans.

DEATH OF EDWARD QUINN.

Mr. Edward Quinn, who had been in failing health for some time, died suddenly at Atlantic City last Saturday afternoon. The deceased had been a sufferer from Bright's disease, and about ten days ago left here for Atlantic City. The remains reached that city yesterday and the funeral will take place from St. Mary's Church tomorrow morning. Mr. Quinn was in the 69th year of his age. He was born in County Galway, Ireland, and came to America in 1859. Forty-six years ago he located in Alexandria and for many years was engaged in the grocery business. He was senior member of the firm of Edward Quinn & Sons, northeast corner of Oranock and St. Asaph streets. He was a quiet and good citizen and was esteemed by all who knew him. He was a member of the Catholic Benevolent Legion. Mr. Quinn is survived by seven children—James P., Edward J., Francis T., William E., Martin H., Quinn and Mrs. Jefferson D. Atcheson of this city and Edward J. Quinn of Washington. The six sons of the deceased will act as pallbearers.

FIRES.

The two-story frame dwelling house owned and occupied by Mr. Dennis J. Dunn, south of Spring Park, at the head of Prince street, was destroyed by fire about 8:30 o'clock Saturday morning. A defective fuse is supposed to have been responsible for the blaze. The house was partially insured. The building burned rapidly, and the occupants were forced to flee from it as soon as possible. The Alexandria fire department responded to the alarm and succeeded in confining the fire and saving adjoining property.

What was known as "The Red Barn," at Belmont, on the electric railway, a short distance south of this city, was totally destroyed by fire last Saturday night. Several calves, about 150 chickens and some farm implements were lost. The origin of the fire is unknown. The barn belonged to Mr. A. T. Hopkins. The loss will reach \$1,000.

The residence of Dr. S. B. Moore, 811 Prince street, was entered by a sneak thief between 6 and 7 o'clock last Saturday evening while the family were at supper and robbed of 4 rings, 2 suits of clothes belonging to the doctor, 2 pistols, a pair of tin shoes, a pair of patent leather shoes, and a pair of lady's slippers. Several persons in the neighborhood as well as one of the occupants of the house saw the thief when he left, but they were unaware of the fact that he had been on a pilaging expedition. It is said that the man left the city via North Patrick street, and the police of Washington were asked to look out for him.

THE FOURTH OF JULY.

The Fourth of July passed off in this city without any serious accident having been reported. Several children received slight burns from the careless handling of fireworks. About the average number of explosions were heard in the city. The fusillade which began in the middle of last week was kept up until yesterday. As is usual on this holiday, a large number of people left the city some on excursion steamers and others in private parties. Most of the stores were closed in the afternoon, and the day was observed generally as a holiday, and comparatively speaking, was quiet throughout.

"THE HAPPINESS CHURCH."

Rev. Theodore Vallant, an evangelist of "The Happiness Church," delivered a discourse at Luna Park last night. Behind the movement are a number of members of the Personal Liberty League. One of the principles of the new religion is the overthrow of all Sunday restrictions in the District of Columbia and to permit the people to engage in sports and other recreations on that day. Samuel H. Reeder, of Alexandria, and Martin Henry, of the Personal Liberty League, were present and assisted in the services. Among other things Rev. Mr. Vallant said:

"Music, merriment and smiling faces will be important elements of the religion of the future. There will be the dancing women, the cymbal players, the singers, and the games, just as there were in the days of Moses and Solomon. The old hell of the old religion, with its flaming fires, its dancing imps in leather hides, its catcombs of dead hopes, and its fumes of sulphur, is a thing of the past. It was actually employed to frighten people into the church. Blue laws and fanaticism will find no place in the religion of the future."

DEDICATION.

Washington had a patriotic display on the Fourth in connection with the opening of the new Municipal building. The ceremonies were impressive and a number of addresses were made. Among those who spoke were Mayor McCall, of Richmond, and Mayor Fall, of Alexandria. The latter emphasized the close relations existing between this city and Washington. "This is a magnificent occasion to manifest our patriotism," said he. He laid stress upon the fact that the feelings of sectionalism are so far buried that men from the south and from the north could happily join in celebrating the completion of the magnificent new home for the District government.
